

ENVRI Technology Review

Welcome to ENVRI Technology Review space.

This is the home page for information about the ICT technology review carried out as part of the [ENVRIplus project](#), in the context of the ESFRI Environmental Research Infrastructures (RI). It is currently (March 2016) a "work in progress".

Next you might want to:

- Browse the existing pages** - Browse the pages in the sidebar to see what is already written,
- Search for content** - Use the search box below,
- Create additional pages** - Click "Create" and choose "Blank Page" to get started; or click "..." and choose a template for your page. Remember, the page will be created as a child of the page you're presently viewing,
- Write a comment** - You can add a comment at the bottom of any page.
- Mention someone** - Mention someone when editing in a page or comment by typing "@" followed by the first 2 or 3 letters of their name. If they are a user their name will pop-up / autocomplete. You will receive any notifications in your filing tray (top right) when someone mentions you.
- Watch a page** - You can add a "watch" for any page. You will receive an email when it changes. You can configure email preferences, for example to receive individual emails or a daily digest.
